# Wes Root

Wes Root was a Valley View High School athletic standout who went on to letter in football at Columbia University. In 1996, Wes was diagnosed with Hodgkin's Disease, which forced him to give up the remainder of his college football career. He joined LexisNexis in 2001 and quickly became a valued employee. Wes was widely known for being a great friend, father, son, colleague, coach, and athlete. All who knew him were deeply saddened by his passing on July 4, 2006 at the age of 29. Wes is survived by his wife, Lisa, and his four-year old daughter, Rachel.
